Dear friends

THE CRADLE – House of Restoration:

The opening functions of our house for less-fortunate and abused mothers and their children, as well as young teenage girls, took place on 6 and 7 August 2010, and was a huge success. We were blessed with wonderful donations of food, clothing and furniture and we are truly grateful for your support. **THANK YOU** to everyone that supported us! It was great being able to meet some of our CRADLE friends, and to eventually add a face to a name.

We are extremely busy at the house and all is well with our mummies and children. We are very proud of their co-operation and assistance during the past month, which was CHAOTIC, to say the least.

Our formal activity-program at the house:

Residents of the house as well as ladies from the area are welcome to participate in our programmes.

Currently during "creative time" the ladies make beautiful jewelery, they do needlework and sewing, and also do fabric painting. The items that the ladies make are then sold, and they can earn an income. They truly enjoy these times as they are being creative, and it is also very therapeutical. We will soon be adding photo's to our website of these items, after which they can be ordered and purchased.

(Should you wish to come and share your special talents with these ladies and their children, please phone our offices on (011) 660-4623).

We have very big plans with this house, and it is our prayer that this house will become a place of restoration on the West-Rand, where less-fortunate and abused ladies can regain their dignity and their strength. We offer them **HELP** and **HOPE**, because we really care!

Please help us to help these ladies and children. Please become involved!!!
